“Positive Action Changes Everything” The Mid-Hudson Intergroup Newsletter

August/September 2007

From the Chair:

“Always to extend the hand and heart of OA to all who share my compulsion, for this, I am responsible.”

I’ve heard this repeatedly since I joined OA in 1980. This program does not work for me if I am not doing service. As a newcomer, this meant being abstinent, going to one meeting a week and calling my sponsor. Then I realized it was important to support groups that were struggling and call people I wasn’t used to calling. Any service beyond the group level was someone else’s responsibility.

In 2001, I went to my first minithon, right after my mother died and I was in need of something, I wasn’t sure what. I realized there was another level of service – Intergroup. This group reached out beyond the group level to a whole area and connected the local groups to the Region and World Service. At first I helped with the minithons and took notes at the meetings.

After a few years, I became Chair. I really enjoy seeing people from other groups and planning things that will impact the whole area. It doesn’t take a lot of time but the rewards have been great.

My Intergroup service enriches my program and strengthens my commitment to living the steps. It keeps me connected to OA as a whole and aware of the need, worldwide, for this program.

I encourage anyone who wants to strengthen their program to come to a minithon or MHIG meeting and see for themselves.

Hope to see you all at the minithon August 18th in Jeffersonville, NY.

OA Morning

This program is a one-day- at-a- time process. Each morning I pick up my books(not necessarily with pleasure) but once I get into reading and writing and planning my food my heart lifts. I feel my higher powers' guidance and I realize hope and joy and good works are possible for this day. I have a feeling of eagerness to follow through on ideas and plans and as I open to Gods' will for me today... Healing happens.... Abstinence happens...Life flows in the span of one single day. What blessings await me today? I am ready.

Thank you God. R.
