Professional Outreach/ Public Information

St. Francis Hospital in Poughkeepsie has contacted Mid Hudson Intergroup requesting members to come speak to patients who are having weight loss surgery about Overeaters Anonymous. This is a very important service that we can do, to carry the message to those who still suffer. Hilda, as the Outreach Chair for Intergroup, is meeting with a hospital representative to determine how we can help.

VACANT POSITIONS

The position of Vice Chair of the Intergroup Board is vacant. If you would like to do service above the group level and are interested in fellowship with members from around the region, this may be just what you're looking for. You can find out what Intergroup does and how it functions and connects to World Service. We meet every other month on the 3rd Saturday in New Paltz from 1-3pm.
